Project Health

ON TRACK

Executive Summary: The project is running a little behind schedule with the self-learning courses, but everything else is progressing as planned. I have completed one certification in Cybersecurity and have now developed a plan to pursue a second certification, starting next year. While I have completed one course track, I still have two more to complete. We will see how this goes.

Accomplishments This Week

- ✓ Completed Networking Basics Module
- ✓ Completed 1 chapter of IT Support
- ✓ Completed 1 chapter of Cybersecurity pathway

Plan for Next Week
